 - 1. Update from Barry Schreier of University Counseling Service:
Due to your work and initiative, we were, as you know, able to hire eight new positions. Two were hired last year and this year we went in search of six and hired five:
 - a) Adam Hinshaw who is an intern with the UCS and will come on permanently in the Fall with his Ph.D. in Counseling Psychology from the University of Missouri-Kansas City.
 - b) Cari Anderson who has been in a temporary position as the Embedded Therapist at the College of Dentistry and will come on full-time permanently and has her Master's in Social Work from the University of Iowa.
 - c) Kristin Heider will join us from her internship with her Ph.D. in Clinical Psychology from Midwestern University.
 - d) Sneha Pitre will join us from her internship with her Ph.D. in Counseling Psychology from Cleveland State University
 - e) Dawn Bates will join us from her post-doc with her Ph.D. in Counseling Psychology from New Mexico State University.We are pleased with the diversity of our incoming staff in regards to a broad number of identities! We have an unfilled sixth position still. Our plan is to "chill" take stock of what we have and then decide what is next needed for this sixth position.

So, please let your legislative bodies know of these outcomes along with our most sincere thanks for UISG's & GPSG's vision to bring the campus mental health service to scale on this campus! We are excited for where the UCS can go next on behalf of our students, staff, and faculty! I am glad to respond to any questions or concerns!
