

Mobile App

Five functionality families

Questions we have

Will this replace the Rec App and Hawk Tools?

Features we want included

Barcode for rec, dining hall, Ubill

Maps

Individual buildings, rooms, bathrooms

Microwaves, AEDs, Printers, Stop the Bleed Kits

Hawk Alerts

Green spaces

Composting and recycling

Grad College Services

Graduate Student Employment Committee

Graduate Career Advising

Personalization

No more than 5 questions/steps

Any way to have pregenerated factors

How tos and campus guides – e.g. printing

Most likely to enable notifications for appointments, deadlines, parking limits, emergencies

Services

Printing

Reserving study rooms

Reserving rec spaces – tennis courts

Food Pantry

Clothing Closet

CommUnity Crisis Services

Security/Privacy

Disclosure on data collected

Compatibility with VPNs

Focus on undergraduate population

Features we dislike

Two-Step Login – make sure it remembers for 30 days

Minutes Approved

Aired grievances on engage

Pilot program on stress management in law students, expanded to others in the future

Student leader roundtable: getting people to show up to arts events

Elections

Inauguration, graduation and farewell ceremony – just GPSG, not joint
