EXPERIENCE

Confidential Recording Secretary | Johnson County Board of Supervisors

July 2022-Present

Iowa City, Iowa

- Prepared official county records for the Board of Supervisors, including formal and informal meeting minutes and confidential documents, as requested by the County Auditor
- Indexed and archived county ordinances from 1970-2022 in conjunction with preparation for codification of all Johnson County ordinances as required by federal law
- Compiled salary information for all County elected officials, elected officials from other Iowa counties, and Consumer Price Index (CPI) inflation statistics to advise the County Compensation Board on recommendations for fiscal year 2024

Student Legal Extern | University of Iowa Health Care

May 2022-August 2022

Iowa City, Iowa

- Conducted legal research on how federal and state laws, including HIPAA, Stark Law, and the Americans with Disabilities Act, affect the clinical and business operations of UIHC
- Reviewed and updated hospital policies to confirm adherence with relevant law, and recommend changes to respective departments
- Collaborated with Health Care Information Systems, UIHC Risk Management, and UIHC Legal on recommendations for the Carver College of Medicine student run, free Mobile Clinic to bring clinic operations into legal compliance

Student Healthcare Executive Intern | SCL Health- St. Mary's Medical Center

May 2021-July 2021

Grand Junction, Colorado

- Collaborated on real estate lease and purchase agreements, service agreements, employment contracts, business development including joint ventures, compliance review, Catholic healthcare governance, and medical ethics
- Rounded with hospital and medical group operations in areas such as Labor and Delivery/NICU, blood bank, and cardiac catheterization lab to observe daily operations
- Assisted the acquisition of a free-standing birthing center by developing a new legal structure in response to Colorado licensure and regulation requirements, St. Mary's Board of Directors governance responsibilities, and operation oversight by an Advisory Committee
